Subject: RE: PRIMOPREDAJA

Poštovana,

Sukladno provedenim aktivnostima kontrole pokretnina dana 09. lipnja 2021. godine možete smatrati primopredaju izvršenu, no napominjemo da imamo značajne primjedbe na količinu materijala koji je na popisu zaliha: A.3 - PROCJENA vrijednosti ZALIHA P.O. (Gl. sklad.) - STG Pu, bstr.165.

U prilogu vam dostavljam isječak iz grupe A3 koji se odnosi samo na limove gdje su u žutom polju prikazane težine limova koje su izračunate prema podacima iz tog istog popisa (dimenzije lima/jedinica mjere m2 /specifična težina čelika 7,85 kg/m2 za 1 mm debljine). Iz sume je evidentno da na skladištu ili bolje rečeno na zalihama MORA biti 975.855,00 kg tj. 975,86 tona raznih limova.

Pregledom stanja 09/06/2021 utvrdili smo količine limova na navedenim lokacijama (vidi popis) prema dimenzijama i količinama kako je navedeno u dokumentima u prilogu. Utvrđena težina limova iznosi 134.183,39 kg.

Razlika između stanja u zalihama i utvrđenih zaliha iznosi $975.855 - 134.183 = 841.672,00$ kg ili cca **841,67 tona**. U smislu navedenog obavještavamo Vas da u potpunosti osporavamo količine koje su navedene u grupi A3, pripremljene i specificirane od strane predsjednika inventurne komisije gđina Mihovilović Milka i ovlaštenog sudskog vještaka. Očito je da se u periodu od kada je napravljena inventura i u periodu kada je Benetrade koristio prostore, raspolagalo navedenim materijalima i izvršeno prisvajanje istih. Sa porte Uljanika je potvrđeno da nikakav otpad nije iznošen iz kruga tvrtke osim jednog prijevoza cca 15-20 tona od strane Benetradea što je u konačnici zanemarivo. Prema tome -navedeni materijal je ili potrošen ili u krugu Uljanika, a ako je prikazan na inventurnoj listi i fizički ne postoji, tada smo mi kao kupci obmanuti, platili nešto što ne postoji i takve radnje povlače za sobom odgovornost pojedinaca koji su takvo stanje dopuštali i prikrivali ono stvarno.

Nas kao kupce apsolutno ne zanima metodologija po kojoj je rađena inventura niti detalji iste, činjenica je da je popis napravljen, ovjeren od strane ovlaštenog sudskog vještaka, predstavljen na natječaju za kupnju pokretnina i uplatom navedenih pokretnina iste su kupljene i očekujemo da sve što smo platili time i raspoložemo. Molimo da obavjestite stečajnu sutkinju o novonastaloj situaciji te pod pretpostavkom da

neće biti moguće utvrditi tko je, gdje i kako potrošio ili pospremio materijal, tražimo da nam se vrati novac za materijal kojeg nema tj. za gore prikazanu razliku.

Što se tiče načela viđeno kupljeno, isto apsolutno nije opravdano u ovoj situaciji kada je od inventure prošlo gotovo dvije godine, Benetrade je bio u navedenim prostorima više od godinu dana, a po odlasku Benetrade-a, Uljanik 1856 uredno radi na našim strojevima u rezaoni bez naše suglasnosti i koristi limove koje su dostupni. Očito je da se od otvaranja stečajnog postupka i nakon popisivanja zaliha nije pristupilo pečaćenju prostora čime bi se osigurale sve pokretne. Očita je i činjenica da predstavnici Benetradea dok su bili unutra i dok je trajao natječaj za kupnju nisu nam dali suglasnost da se „šeta“ po radioni i utvrđuje što je ili nije na popisu. Opet naravno od strane gđina Mihovilovića Milka.

Molim da pod HITNO angažirate gđina KUFTIĆA da poslika trenutno stanje rezaone i okolnog vanjskog skladišta kako bi se službeno potvrdile gore navedeni navodi !.

Postoji još jedan VAŽAN moment koji ste nam svjesno ili nesvjesno propustili ukazati, ne samo nama nego svim potencijalnim kupcima koji su se mogli javiti na natječaj, a to je problem pokretnina koje spadaju pod kulturno dobro. Nismo imali apsolutno nikakvih saznanja o tome da je pojedina oprema pod zaštitom konzervatora, a prije dva dana smo dobili pisanu obavijest od strane Ministarstva Kulture da se pojedina imovina blokira i mora adekvatno zbrinuti, ne smije se premještati, prodavati itd.... Postavlja se pitanje kako su pokretnine za koje su postojala saznanja da će biti tretirane kao kulturno dobro uopće mogle ići u natječaj za prodaju u sklopu ostalih pokretnina ??? Takav vaš postupak nam značajno remeti plan redovnih aktivnosti koje smo planirali obavljati sa pojedinom opremom te ćemo u tom smislu i tražiti naknadu štete zbog takvog postupanja nakon što naš odvjetnički tim odradi potrebne aktivnosti.

Subject: PRIMOPREDAJA

Poštovani,

Dana 17. svibnja, 24. svibnja i 09. lipnja 2021. godine ste bili u obilasku pokretnina koje ste kupili u stečajnom postupku Uljanika Strojogradnje Diesel d.d. u stečaju temeljem zaključka Trgovačkog suda u Pazinu, posl. br.: 4 St-117/2019-257 od dana 14. svibnja 2021. godine tako da smatram da je primopredaja izvršena.

Molim za obavijest da li ste regulirali odnose sa Uljanik Brodogradnjom 1856 d.o.o. i ukoliko jeste sa kojim datumom i za koje prostore?

S poštovanjem,
