**Re: - Short Term Loan Agreement dated 19 August 2020**

Dear Sir or Madam,

I act on behalf of the company **ENERGIA GAS AND POWER d.o.o.**, Zagreb, Ulica Alexandera von Humboldta 4 B, in reference to the Short Term Loan Agreement dated 19 August 2020 executed between my client as the Lender and your company as the Borrower.

Pursuant to the said Agreement, my client has transferred to your company a loan in the amount of EUR 350,000.00 which you have undertaken to repay on the 20th day as of the day of the receipt of the loan.

Since the loan has not been repaid, and my client has not been able to resolve the debt repayment problem through the past continuous communication (during which my client also proposed the assignment of its claim to one of the companies within the Group), I hereby respectfully request the repayment of the total amount of loan together with the interest of 6% per annum until the maturity date and the default interest from the due date up to the date of payment, within eight days of your receipt of this letter.

Otherwise, I will be forced to take appropriate legal action to protect my client's interests.

Yours sincerely,
