Nekretnine iz točke I.) izreke rješenja o dosudi od 28. srpnja 2025. poslovni broj St-335/2024-481 i poslovni broj St-335/2024-482 opterećene su razlučnim pravom u korist:

- HYPO ALPE-ADRIA-BANK d.d. Zagreb (pravni sljednik je H-ABDUCO d.o.o., Zagreb, Slavonska avenija 6A, Zagreb);
- BANKA KOVANICA d.d. Varaždin, Petra Preradovića 29, Varaždin;
- ZDENKA KRIŠTO, Šetalište kneza Branimira 31A, Zaton, 23232 Nin i
- RH, Ministarstvo financija, Porezna uprava, Područni ured Zadar.

Poziva se stečajna upraviteljica da izloži činjenično stanje u odnosu na ostvarenu prodaju.

Stečajna upraviteljica navodi da na prvoj elektroničkoj javnoj dražbi da su unovčene nekretnine za ukupan iznos od 1.032.775,00 EUR-a od čega je učešće 13595/2 k.o. Vir u iznosu od 92,08 %, a kat. čest. 13597 učešće je 7,92%. Sukladno ovim postotcima unovčenja navedenih nekretnina podijeljeni su ukupni troškovi unovčenja. Ukupni troškovi unovčenja ovih nekretnina su 84.313,59 EUR-a od čega na čest. 13595/2 otpada 77.635,95 Eura, a na čest. 1395/1 iznos od 6.677,64 Eura. Specifikacija unovčenja dana je u podnesku od 11. kolovoza 2025. Predlaže se kupovninu podijeliti na način da se namire troškovi unovčenja i ostatak podijeli prvoupisanom razlučnom vjerovniku Banki kovanica d.d., sukladno toč. 2.1. i 2.2 podneska od 11. kolovoza 2025.

Punomoćnica razlučnog vjerovnika Banka kovanica d.d. navodi da je podnesak dostavila 24. listopada 2025. kojim se obaviještava sud da nema primjedbi na prijedlog diobe.

Utvrđuje se da podnesak od 24. listopada 2025. nije evidentiran u aplikaciji eSpis iz kojeg razloga se sada isti predaje zajedno sa obračunom.

Punomoćnik razlučne vjerovnice Zdenke Krišto ističe kako i dalje ustraje na prijedlogu od 7. listopada 2025. – podnesak kojim predlaže predmetno ročište odgoditi do pravomoćnog okončanja postupka koji se vodi pred Općinskim sudom u Zadru pod poslovnim brojem P-1839/2024 o čemu je u predmetni spis spomenutim podneskom dostavljen dokaz. Dakle razlučni vjerovnik Zdenka Krišto ističe kako nema primjedbi na izračun stečajne upraviteljice, međutim drži da u ovom trenutku nisu ispunjeni uvjeti za donošenje odluke o diobi kupovnine u pogledu ostatka iznosa koji preostane nakon podmirenja troškova unovčenja. Ponavlja se predmet spora pred OPćinskim sudom u Zadru je dakle utvrđenje založnog prava, a u slučaju da tužbeni zahtjev tamo bude pravomoćno usvojen tada je Zdenka Krišto ima založno pravo pod red brojem 1 prvenstvenog reda a što znači da bi se kupovнина trebala isplatiti istoj. U tom smislu punomoćnik razlučne vjerovnice Zdenke Krišto ističe kako je u najmanju ruku preuranjeno, a imajući u vidu pravne posljedice koje iz tog mogu proizaći, predlagati da se prvo namiri razlučni vjerovnik Banka kovanica d.d., jer bi u tom slučaju za Zdenku Krišto, mogla nastati znatna materijalna šteta. Ukoliko sud ne prihvati prijedlog za odgodu ročišta za odgodu kupovnine do pravomoćnog okončanja navedenog postupka, to se u spis dostavlja rekapitulacija potraživanja razlučne vjerovnice Krišto po osnovicama sa obračunom zateznih kamata.

Danas zaprimljeni podnesci razlučnih vjerovnika biti će otpremljeni ostalim sudionicima u postupku na eOglasnoj ploči.

Odluka će uslijediti naknadno u pisanom obliku.
