Poštovana sutkinjo Licul,

Primio sam Vaš zahtjev za očitovanjem. Molim Vašu pomoć, naime, u podnesku od 05.12.2022. gospodin Ćurić se žali da nisam u obzir uzeo logove koje je on dostavio. Ja sam upravo pogledao svu dokumentaciju u spisu i ne vidim te logove, iako ne znam da li će to imati ikakav utjecaj na moj konačni zaključak, stoga Vas molim da me uputite na podnesak u kojem je gospodin Ćurić dostavio te logove.

Unaprijed Vam se zahvaljujem

Koristim priliku Vama i Vašim dragim osobama zaželjeti sve najbolje u Novoj.

Srdačno

M. Bača

Poštovani g. Bača!

Hvala na lijepim željama. Također, sve najbolje i vama u Novoj Godini.

Uvidom u spis utvrdila sam da je naloženo da vam se dostavi i podnesak na koji se poziva g. Ćurić. Po primitku vašeg emaila izvršila sam naknadnu provjeru i utvrdila sam vam taj podnesak zaista nije dostavljen (svi ostali jesu) pa vam ga dostavljam u prilogu ovog maila.

S poštovanjem!

Sutkinja Tijana Licul
