

The map displays three travel routes from the city center of Zagreb to Trgovački sud. The routes are color-coded: blue for the shortest route (23.6 km, 40 min), green for the middle route (25.1 km, 34 min), and grey for the longest route (28.5 km, 36 min). The map includes various landmarks, shopping centers, and geographical features like the Sava river and surrounding hills. The Google Maps interface is visible at the bottom.
