

Planiram posjetiti Lipovljane 28. veljače do 4. ožujka 2026. kako bih pregledao potencijalne lokacije za ovaj projekt. Bilo bi mi od velike pomoći ako biste mi mogli pružiti osnovne informacije o trenutnom statusu i proceduri, kako bismo se mogli pravovremeno pripremiti za službene korake.

Unaprijed zahvaljujem na odgovoru.

Srdačan pozdrav,

Dear Ms. Šakić,

I am writing to you on behalf of a Dutch company, regarding the property owned by the bankrupt debtor SAZOV d.o.o. in Lipovljani (Case number: 46. ST-1311/2019).

Our company specializes in high-tech wood processing (CNC technology) for the Dutch market. We are currently exploring options for establishing a production facility in the Lipovljani area, and the SAZOV location is of interest to us for our initial operational phase and market testing.

We would like to inquire about the following:

1. What is the current status of the mentioned property (warehouse and associated land)?
2. Is there a legal possibility to lease (rent) the facility for a period prior to the sale?
3. Is the property scheduled for sale via public auction, or is there a possibility for a direct expression of interest?

I plan to visit Lipovljani on February 28th to March 4th , 2026, to inspect potential locations for this project. It would be very helpful if you could provide basic information on the current status and procedure so that we can prepare accordingly for any official steps.

Sincerely,

Roy Huibers
