Draga Jelena

ništa novo, čekamo i dalje, a evo i puni odgovor kolegice

We have filed a motion in the bankruptcy court asking it to enforce its chapter 15 order allowing the claims belonging to Adria to go forward on appeal while staying the claims of Worldwide Entertainment Group against Adria. The court will set a date for oral argument and then decide the motion. We anticipate that Worldwide Entertainment Group may ask the court to allow its claims against Adria to go forward on appeal but to stay enforcement of those claims. We will oppose that request if it is made. Either way, a decision on our motion for the relief we asked for, or allowing Worldwide's claims also to go forward but to stay enforcement of them, would allow the appeal to go forward.

We will report further when we have a date for oral argument and have seen Worldwide's opposition, both of which should be soon.

Javite ako nešto treba s moje strane, a ja podsjećam opet kolegicu za mjesec dana,

Lp
