Dear Kristina , trust your are doing well

As I mentioned to you this morning, we are seeking financial support through a European Union funding programme. I am pleased to inform you that our business plan has been officially approved today !

It included Drvo Trgovina company shares financial support , strategic partnership etc etc...

As you can understand, the bureaucratic procedures required to release the funding and transfer it to our bank account will take some time—approximately two months. Therefore, to avoid creating unrealistic expectations, we expect to be in a position to sign the contract approximately two months.

It was very challenging to achieve our goal, but my entire team and I worked extremely hard and remained fully committed throughout the process., We sincerely hope that this waiting period will not be too long and that your company will remain committed to our future partnership.

We look forward to receiving your kind confirmation so that our lawyers can begin the necessary procedures to formalize our partnership.

Should you require any further information, I would be pleased to provide it.

Sincerely Luca
