Ovaj troškovnik, mi je nejasan.

- **LCL CONSOL FEE** - (manipulacije skladištenja) - istovar pošiljke iz kontenjera u skladište, manipulacije sa pošiljkom i utovar na vozilo koje preuzima robu. = EUR 633,00

- **T.H.C.** - - istovar kontenjera sa broda na kamijon i izporuka do skladišta sa svom potrebnom dokumentacijom. = EUR 564,00

- **E.R.S.** - exchange rate sur charge - valutni troškovi,koji nastaju kod promene vrednosti jedne valute u drugu USD – EUR =238,00

- **DELIVERY ORDER** - = EUR 57,49

- **I.S.P.S.** – osiguranje u luki = EUR 5,00

- **T1 CUSTOME DOCS** - dokument za transport neocarinjene pošiljke po kopnom = EUR 60,00

- **C.A.F.** - CURRENCY ADJUSTMENT FACTOR = EUR 420,11

- **WAREHOUSING FEE** - manipulacije skladištenja) = EUR 441,47

- **TEMPORARY BORDER CONGESTION** = EUR 69,00

- **C.I.S.F. / CFS** - (Chinese import service fee) = EUR 546,04

- *MIN 4 DANA SKLADIŠČENJA min 20EUR ,(AKO NE PLATITE po 4. Danu se računa ležarina 5 eur na w/m po danu*

- **HANDLING** = EUR 727,16

UKUPNO: EUR 3761,27

ako sam razumio to su ukupni troškovi manipuliranja robom na kineskom terenu ili ukupni troškovi odvoza iz kineske firme, do izlaza robe iz koparske luke, i tko ga je definirao-sastavio ?

Poštovani Milane,

Mislim na prihvat cijene, ukoliko nastavljamo, moram dobiti vaš pismeni prihvat cijena i podatke za ispostavu fakture.

Što se tiče uvoznog carinjenja, cariniti će kolege u Zagrebu prema zadnjim dokumentima koje je poslala Cathy.

Poštovani Milane,

Zaprimili smo dugo očekivane lokalne troškove. Niže šaljem detaljno objašnjenje troškova koje sam zaprimila od agenata. Žutom bojom sam objedinila sve troškove.

Molim vas prihvat troškova i daljnje instrukcije.

Dear CATHY
I have to see EVERYTHING, ------ I haven't seen CE for machines - certificates of conformity, --------- I haven't seen the real packing list of your goods with my correct address you have, ------ I haven't still saw the full Commercial Invoice of my goods that I bought from you (what I will do with it is my problem, not yours) and still on it should be written the goods- "Plastic pipe" and its price, because you said you would connect it your goods.
--We agreed on a CBM space price of $ 165. --- Your space is on the 13cbm packing list. Other suppliers 4cbm. That's 17cbm. * $ 165 = $ 2805 .--- I paid you because you asked for $ 3650. You can't justify this, the difference of $ 845 - Isn't that difference enough for you. Will we correspond for 100 years for your three documents confirming my purchase? Where are we, what are we? Are we human? ---- Until I fulfilled my obligations you did not want to work a tractor !!!! ---- Only when I PAYED ALL my obligations did you say you sent the goods, and I DOUBT that. --- Without the bill of lading corresponding to the packing list which lists all the items that make up that list and the commercial invoices with all the items, and that you sent the goods, the goods cannot be mine because there are no valid documents to pass customs. Why ? Because you are not fulfilling your obligations. --- Am I a MONKEY? According to what you answer our questions, you did not answer what you are asked, we ask what you need, you send what you do not need, Matea asks one thing, you answer another or you do not answer or the answer is ambiguous and insignificant, and again

from the beginning according to the next 100 years.
Please do not send us the documents we do not ask for, because you have all the documents we ask for because they are our property as well as the goods I bought (if you sent them ?????). My purchased, paid goods and correct paid documentation is ONE AND THE SAME.

Tonight I am not going to another one of the hundred insomnia, waiting for the documents I wrote that are needed, and if more is needed, you will send more, because after me Matea and Biljan will confirm or not their credibility for customs.
If you do not understand which documents you need to send with the goods, I will have to send the next e-mail to the GENERAL MANAGER of the company,

thank you for understanding
Milan
