Dear Sirs,

thanks to the invitation to the webconference to discuss the evaluation of the property of MEDIMURSKA HIDROGRADNJA d.o.o., u stečaju, Radnička 1b, Savska Ves, OIB: 82357842271. It is our opinion that the evaluation produced by creditor Erste & Steiermärkische Bank d.d. is not objective and its results do not show the true and fair value of the property. Furthermore it has many errors and omissions, just to mention the size of the property and the assumed price per m2.

Therefore we ask the court to reject this evaluation and ask Erste & Steiermärkische Bank d.d. to correct the errors and omissions. If Erste & Steiermärkische Bank d.d. is not prepared to do so we are willing to produce a new evaluation.

Yours sincerely

**Dr. Norbert Frömmer**
