Hello,

We hereby confirm that the vehicle with chassis number 5257035 has been towed to the Scania workshop (ZI de Carros service center - 1ère avenue Km 5, 06510, Nice)
A problem with the turbocharger has been identified, and the workshop currently does not have the part in stock.

Today is a holiday in France, so the repair is expected to be completed next week.

Lukrecija Bajo
