Subject: Help

To: <cumhurbaskanligi@tecb.gov.tr>, Snjezana Farkas <snjezanafarkas2@gmail.com>

Respected Mr. President Erdogan, respected members of the team of the office of the president,

I use this opportunity to convey greetings to the whole team and to You personally, and to Turkey, where I cooperate nicely and correctly with my partners on the sale of luxury real estate in Bodrum, Antalya, Alania.

As we had no choice, with all the obligations you have, we had to turn to you, Your Excellency, for help, because unfortunately in Northern Cyprus there is no sign or voice from our debtors, not a single institution, although we have repeatedly called them, written to the available information, but without response until today.

I am sending the entire course of events from the signing of the Contract with the then C21 Island from Northern Cyprus in 2022, to the conclusion of the work that Siniša Dagary (real name Bičanić) did with the same mentioned company, which I brought into contact through a partner from Nova Gorica Mr. Aleksander Kozem, and Emil Žilbert through whom Mr. Kozem invested in their joint platform with crypto currencies.

Actors based on the evidence I send in this business are:

Snjezana Farkaš - director and manager of Victory real estate j.d.o.o. from Umag who signed the Cooperation Agreement

Siniša Farkaš, then employee at Victory real estate

Aleksander Kozem - partner who brought me/us into contact with Dagary

Emil Žilbert, co-owner of a Slovenian insurance company and crypto platform

Siniša Dagary, director of the Slaf platform

Petom radnika:

Eden

Mustafa Tezel, then employee of C21 Island who first contacted us

Khaled Belvas, then employee and connection between Dagary and me

Volkan Sulugoz, Director of C21 Island

Tugdem Hudan, secretary at C21 Island, her above-mentioned husband Mustafa Tezel has been CEO of Cyprus constructions for 2 years now, where we usually always had meetings with Dagary.

Volkan and Hudan were here at the Opatija fair in May 2022 as our guests

Khagan Semavi co-owner of C21 Iceland and signatory of the Cooperation Agreement

Ceren Ahmet Kose co-owner and the last contact the sister had with him

Eral Necat co-owner from whom most of the apartments were purchased.

The 101 proofs of evidence which shows paid reservations in the amount of 35% of the value of each apartment and all other apartments and houses that Dagary made with C21 Iceland within 7/8 months, we do have in our possession if any time You will need them.

Thank You once again for Your help

My telephone number for contact is +385919388874, my sister's phone number is +385917286424.

With warm regards from Umag, Istria, Croatia,
