

A close-up photograph of the rear of a red car. The car's body is a vibrant red, and a silver bumper is visible. A white license plate with black text is mounted on the rear. Above the license plate, there is a small, circular, silver-colored metal component. The car is parked on a dark, textured surface, possibly asphalt or concrete, which shows some signs of wear and debris. The license plate text is 'RI 276-0S', with a small red and white shield emblem between 'RI' and '276'.

RI 276-0S
