Dear Sir,

Please find attached the minutes issued by the Tax Authority, determining the tax payment obligations.

Please note that he was submitted by post and received on 3 February.

I would also like to point out that I do not have any documentation relating to the relevant period, nor the final financial statements for the last years of business operations. Furthermore, I still have no information as to whether you are leasing any business premises (In Marina Frapa), nor when it will be possible to prepare the initial inventory of assets and stock as of 31 December 2025.

Best Regards
